Save changes

The two gray rectangles at “Register Callbacks” and “Update available payment methods” are actually buttons.

You have to save the changes also after you have invoked the registration of callbacks and update of payment methods.

Each payment method must be enabled and saved

The fields are mandatory except for the one marked with green, which is optional.

The “Title” is what the customer will see as name for this payment method in the list of methods and “Description” is what the customer will see as a description when this method is selected.

Payment Gateways

Installed gateways are listed below. Drag and drop gateways to control their display order on the frontend.

Gateway Display Order

Gateway	Gateway ID	Enabled
≡ Direct Bank Transfer	bacs	-
≡ Check Payments	cheque	✓
≡ Cash on Delivery	cod	-
≡ PayPal	paypal	✓
≡ Resurs Bank	resurs-bank	✓
≡ Resurs Bank CARD DK	resurs_bank_nr_CARD	✓
≡ Resurs Bank INVOICE DK	resurs_bank_nr_INVOICE	✓
≡ Resurs Bank NEWCARD DK	resurs_bank_nr_NEWCARD	✓
≡ Resurs Bank PARTPAYMENT DK	resurs_bank_nr_PARTPAYMENT	✓

In the checkout options > payment gateways you can see a list of the methods and their status.
